

Summer School Fun

All strike a pose at Summer School 2014

FSD Summer School 2014 has been our biggest and most successful to date. The students all brought fantastic energy and with the outstanding choreographers we had in to teach the students, it made the whole week very professional. The week was packed full of different dance styles and the students put on a wonderful showcase for family and friends on the last day.

We would like to thank all those involved that made the week run smoothly and we look forward to seeing everyone again at the 2015 FSD Summer School.

Syd Chapman has taken some wonderful photos from this years summer school, if you wish to purchase the photos please contact to obtain the password. •
