

End of Year Variety Show 2015

How time has flown! Its hard to believe that preparations are already underway for our amazing end of year performance.

Some gentle reminders before we get too busy and forget:

Please make sure your child has their hair and make-up done prior to coming to the theatre.

Plastic crates are needed for each student for at the theatre. **NO COSTUMES** should be kept in the crates, costumes must be on hangers and covered. The crates are for dance shoes, food, make up, homework etc. The crate must be clearly marked with your child's name on the lid and side. Your child shouldn't arrive at the theatre with numerous bags that's why they have their crates.

Chaperone/DBS meeting Monday 13th April 7.30 – 8.30pm

This meeting is very important. All those parents that are Chaperone checked or DBS checked we need you. Not only for the show week but to help out at all the weekend rehearsals at Cobham Village Hall. We need your support to be there for the students while rehearsals are taking place. Parents who were unable to get a time slot, due to this another evening will be put in place in the near future.

Hair/Make-up

PDF files have been emailed out with details of how to apply make up and do hair for the show.
