

Snow and adverse weather policy

Flipside Dance School is committed to providing professional dance classes at our venue in Cobham.

In the event of heavy snow or adverse weather causing disruption to traffic and travel, the safety of our staff and students remains paramount.

The decision to open the school will be made if it's safe to do so based on the conditions for travel and our venue, Cobham Village Hall, being able to open.

If the decision is made to remain open, sending a child into class will be at the parent's discretion. No refunds will be made to those who have decided to not attend.

We appreciate that roads and travel may cause delays and we ask that parents contact the school asap by emailing the school secretary, messaging via social media or calling the school 01932 911064.

If the decision is made to close the school for the safety of all at FSD we will contact everyone by email, message or phone asap. Should closure or cancellation of classes be out of our control no refunds will be given.

In the event of bad weather and to check if the school is open, please have a look at the school app, the school's social media platforms (facebook and Instagram) and look out for an email from the school secretary.

Should the weather become severe whilst classes are in operation the decision will be made by the school principal whether to stay open or not and parents will be contacted accordingly. No refunds will be given for situations beyond our control.
